# LETTERHEADS

When dealing with business, it's crucial to balance professionalism and personality. Our collection of personalized letterhead and stationery allows you to create polished messages with your own personal flair. It's the best of both worlds.

For businesses large and small, custom letterhead instantly reinforces your brand. But even if you're not in business, you can use personalized letterhead to express a signature style that's all yours.

Here are some ideas:

- Choose a letterhead design template that suits your club, sport or hobby – and use it for all correspondence
- Keep your personalized letterhead in your printer and use it every time you send a letter – you'll save time by having your contact info pre-printed

# LOGO DESIGN

Your logo is not a small piece of design; it is in fact your business identity. It helps you stand-out from the competition. Without a logo, you won't be able to create a unique business image.

# BROCHURES

There's So Much You Can Do with Color Brochure Paper!  
Brochures can be a basic sales pitch to always have handy.

- Direct Mail – Brochure paper is perfect for mailings as a self-mailer or using envelopes.
- Non-Profits – Use brochure paper to publicize events and fund-raising drives.
- Low Cost Advertising – Swap brochures with other businesses and share customers.

# MENUS

Even in the food business, you can always do something to retain and attract more customers by bringing something new to the table.

Let us help you create menus for a more focused targeting. Any size and colorful enough to showcase your bestsellers and entice your customers.

# PRESENTATION FOLDERS

Add Pizzazz to Your Information with Presentation Folders and Make any Presentation a Great One!

Personalized folders make a great first impression! Unlike off-the-shelf folders, custom presentation folders let you express yourself and show your style by helping you get your presentation off to a great start! Here are some ideas for putting presentation folders to work for you:

- Create special folders for each major project or account you're working on
- Keep presentation folders with your name and logo on hand for unexpected opportunities

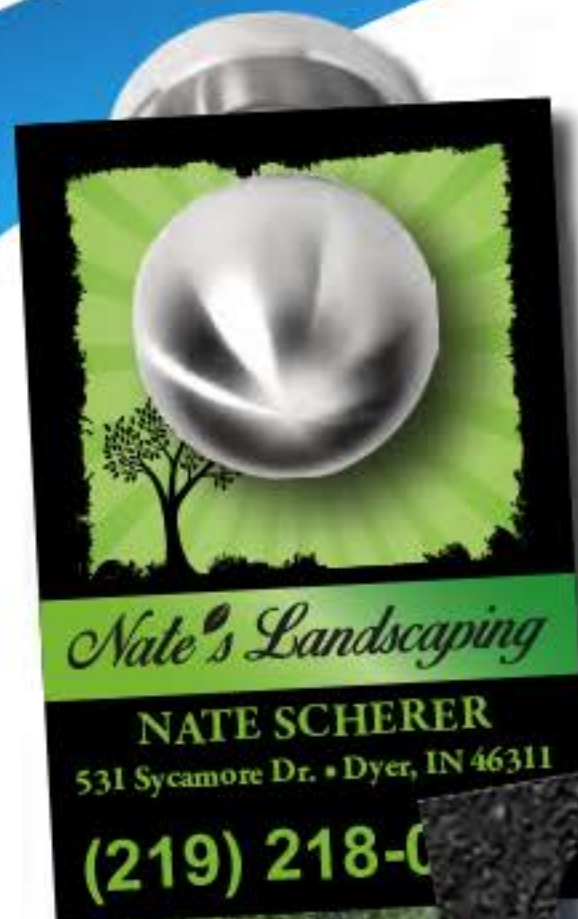

# DOOR HANGERS

Door Hangers Drive More Business. Door hangers are bold, colorful and very effective at getting the attention of prospective customers. Any old note left on someone's door can carry your message, but door hangers have to be seen and touched before they can get in the house. Here's how to put that power to work:

- When doing business in a neighborhood, take a few minutes to hang door hangers
- Apartment complexes have lots of doors and lots of opportunities to hang door hangers
- Make sure to put all your contact info on your door hangers so people are able to contact you immediately

# LABELS

Address Labels Are Not Just For Mail!

Personalized Address Labels Make Identification Handy!

Sure, you can't beat personalized address labels for sending mail; they make it easy and neat to put return addresses on letters and packages. Since they're self-adhesive, today's address labels are so much more than just return address labels!

- Use personalized address labels to identify your books, music and movies
- Place an address label on small items that might get misplaced to ensure their return

# POSTCARDS

Postcards are an ideal, affordable way to promote your business, announce special events or launch a new product.

- Increase sales with high-quality, targeted special offers and promotions
- Spread the word about your products and services
- Create stylish invitations and announcements

# MAGNETS / MAGNETIC BUSINESS CARDS

Make sure your business message leaves a lasting impression in an obvious place - the refrigerator, file cabinet, or other iron-based metal surface in the home, office, or school. Magnets are not just limited to business card applications. Other possibilities include: Save the Dates • Miniature Calendars • Famous Quotes • Memorabilia

# PENS

Promotional Pens for advertising and marketing your business is the best choice. Personalized Pens can be imprinted with your company name, web site URL, logo, slogan, even your business' address and phone number. Whatever your message, custom pens will get you noticed!

Try out some of these ideas:

- Leave personalized pens out for visitors to use, and tell them it's okay to take.
- Drop a custom pen into a business goodie bag when at business expos.
- Design a personalized pen for a friend or family member – it's a great gift!

# TICKETS

Get sales on a roll; print raffle tickets in full color with high quality printing. Drawing attention is the first step towards making your fund-raiser a success. Create an eye-catching ticket and you have a real prize winner that drums up ticket sales.

- Numbered raffle tickets and anti-counterfeit barcodes add security
- Perforated ticket stubs make it easy to keep track of ticket sales
- Booklet stapling helps your sales team stay organized

# BUTTONS & NAME BADGES

Custom buttons and name badges are an inexpensive and very effective advertising tool. Perfect for campaigns, parties, rallies, reunions, weddings, birthdays, and more. Add your favorite photo, slogan, logos, or phrases and choose from hundreds of fonts and colors.

# INVITATIONS

From Formal to Fun, Let Your Invitation Say Something About You! You can set the tone for that special day with the invitations you choose. Many wedding invitations are formal and birthday party invitations are often casual. Here are some ideas for choosing an invitation style for your event.

- Many formal wedding invitations can be used for any event – just change the wording to fit the celebration
- Try note cards for bridal or baby shower invitations – they're the perfect mix of formal and casual
- For informal parties or casual get-togethers; invitations on postcards are affordable, easy and full of personality

# CARBONLESS FORMS

## FLYERS

Regardless of whether you refer to them as flyers or sell sheets, there is no denying the fact that they are a powerful marketing tool. Not only are they a cheap way to market your business, but they will also get results for your business.

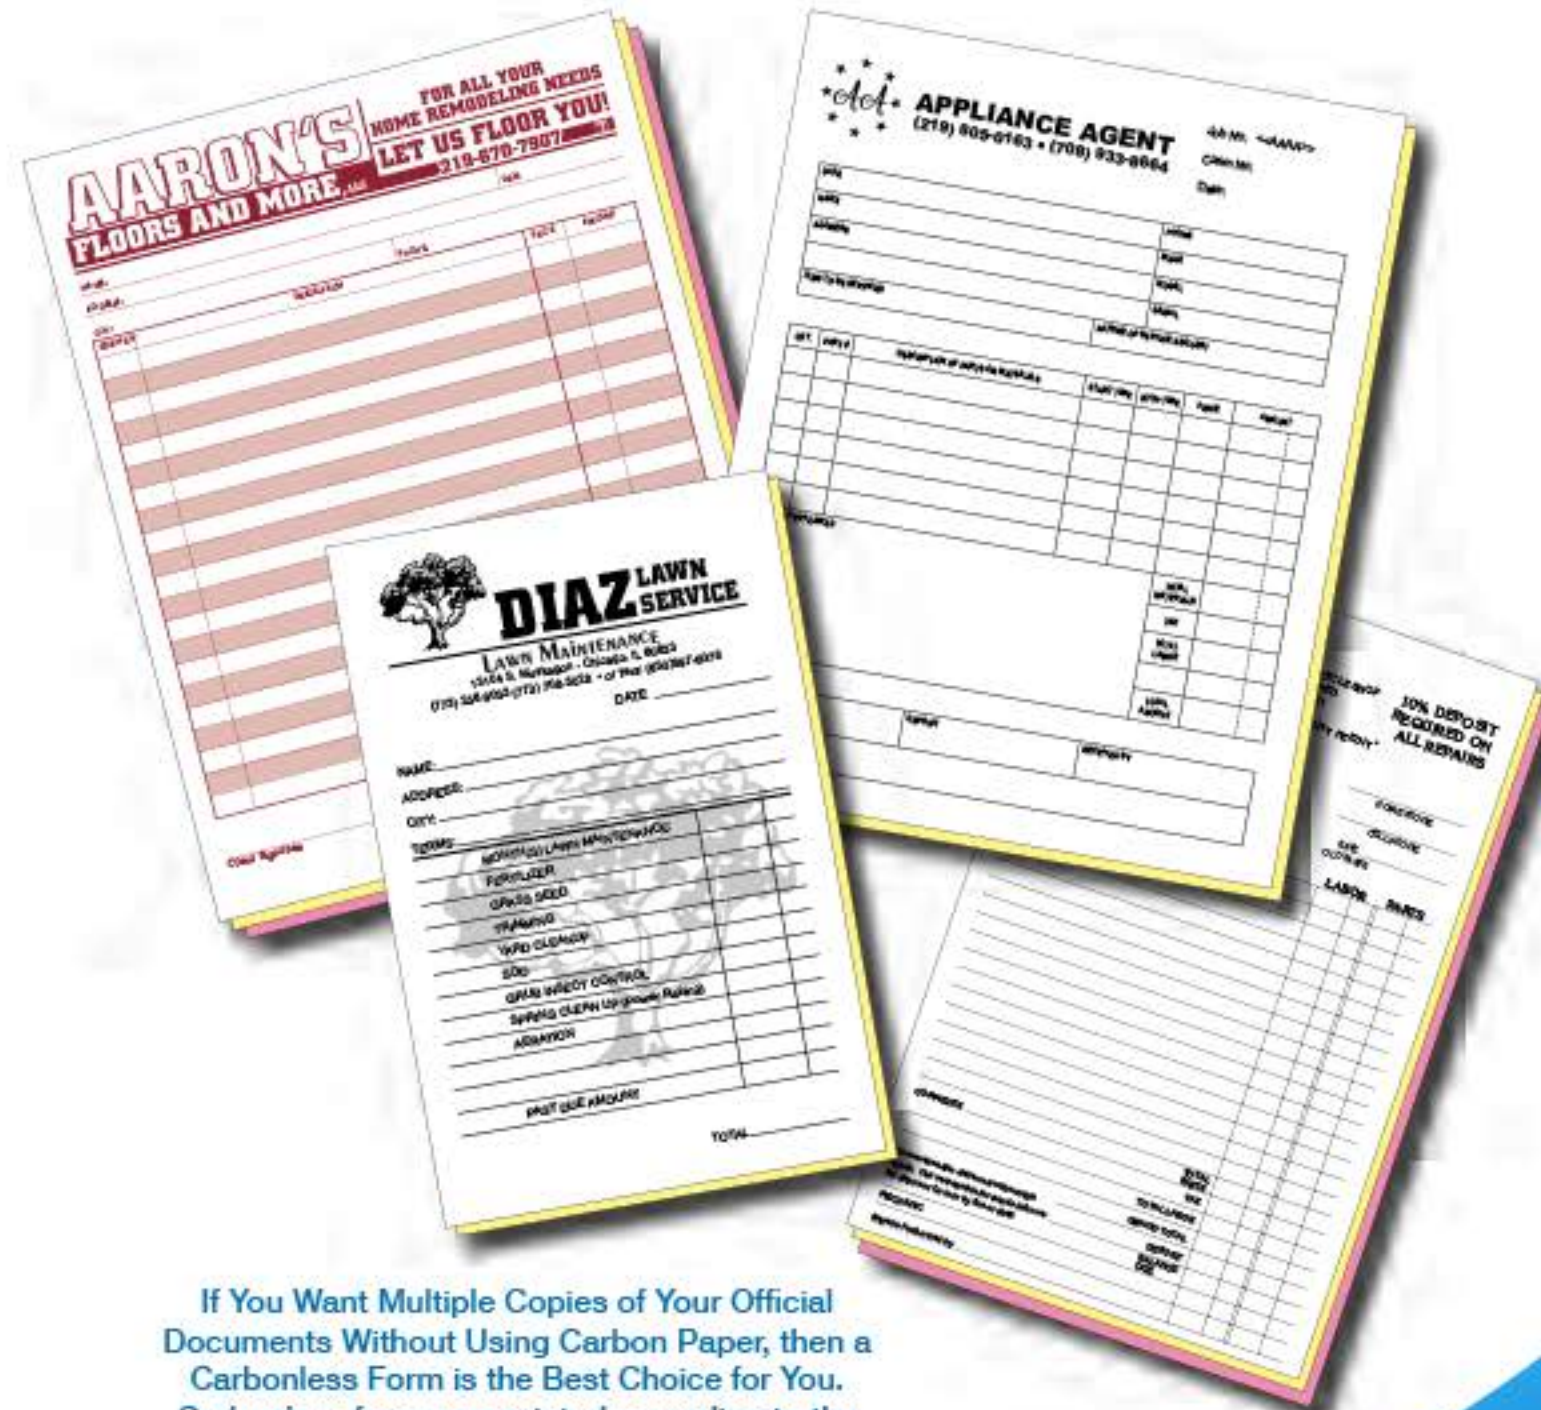

### GREAT FOR

- Direct Mail
- Trade Shows
- Business Events
- Promotions
- Highlighting New Products
- Providing Invaluable Information

### ADVANTAGES

- Affordable
- Inexpensive
- Easy to Distribute
- Attracts New Customers

If You Want Multiple Copies of Your Official Documents Without Using Carbon Paper, then a Carbonless Form is the Best Choice for You. Carbonless forms are printed according to the demand of your business.

Examples include: two, three, four, and six-part forms. These forms are excellent for business use such as: receipt books • rental • invoices • purchase orders • work orders and much more

# A-FRAMES

Eye-catching signs used to target foot traffic to your business. Intended for outside advertising, A-Frame signs are resistant to weather and are a good choice for business needing an outdoor sign. Combined with custom designed, full color digital prints; A-Frames are a perfect solution to encouraging business traffic.

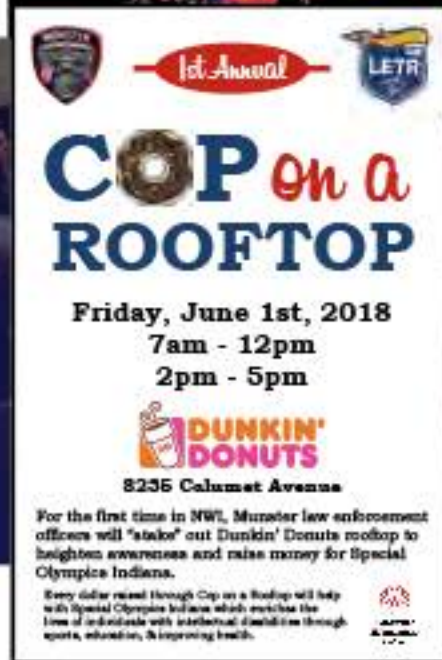

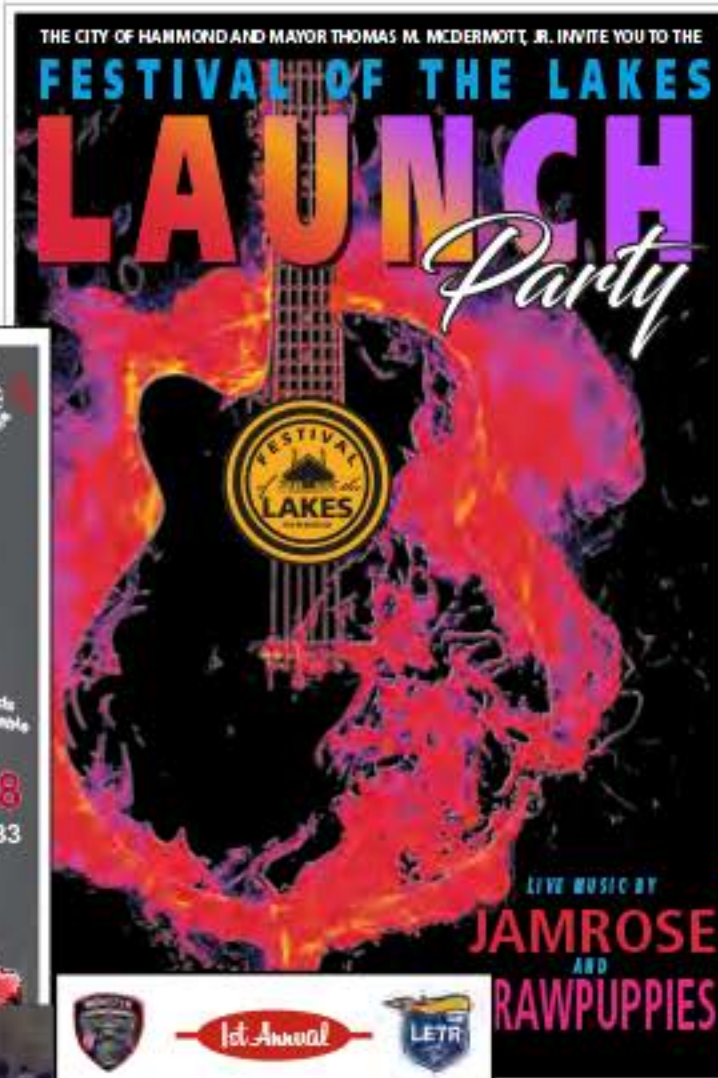

# RAISED WALL LETTERS

From leading Fifth Avenue retailers to small shops use raised channel lettering to promote your brand. Let the solid professional letters portray the strength of your enterprise. Local government can speak to their constituents while schools can show your pride with dimensional lettering

# POSTERS

# FLOOR GRAPHICS

Colorful graphics underfoot turn your floors into valuable marketing space. Use floor decals and graphics from Miss Print to promote in-store specials, direct foot traffic or draw attention to special products. Floor decals complement and reinforce your advertising campaigns in other media.

Floor graphics are great for:

- Retail Stores • Promotional Events • Trade Shows • Fairs and Festivals • Sporting Events
- Restaurants • Banks • Hospitals • Business Services Locations • Theaters • Hotels

Create a big first impression by using the poster printing services at Miss Print. We offer a variety of large-format options for posters, and we will work with you and create the perfect poster to catch your audience's attention.

# VEHICLE WRAPS

Successful advertising, marketing and promotion can be difficult to achieve, we know that. And there are a lot of options out there. As In-home advertising has seen a broad shift and acceptance of the online advertising medium, outdoor advertising has seen a similar acceptance of and shift into this relatively new medium, vehicle wraps. Why? Vehicle Wraps are a high impact, cost effective form of advertising that work for all types and sizes of businesses. A vehicle wrap builds brand recognition, raises a company's profile and reinforces brand identity.

# MISS PRINT HEADS

# VEHICLE MAGNETS

You're trying to figure out new and creative ways to advertise your business, and you need something quick and affordable. Stick a car magnet to your car and you can advertise all day, everyday!

- Add your business logo or an image to your auto magnets to stand out.
- Choose a design for your car magnets that represents your business style.
- Customize your car or truck magnet text, but don't use too much remember people will be driving when they see it.  
Full color personalized auto magnets are fully customized.
- Choose a car or truck magnet that shows off your business style.

# WINDOW WRAPS

Window wrap advertising is a relatively innovative method of advertising. It is essentially creating a mini billboard using your own store's windows--regardless of size, shape or quantity. Window wraps provide companies with a method of advertising that attracts customers and grabs the attention of those driving or walking by. Wrapping a store window is also a cleaner, more precise method to window advertising than using paint or even posters. Using a window wrap means a high impact on those who see it. The custom wrap is not only big, bold and colorful, it is also much simpler to install than previous outdated means of window advertising.

## POST SIGNS

### SEEKING NEW TENANTS? SELLING YOUR PROPERTY OR LAND?

A post sign is essential if you want to grab the attention of an audience on the go! The post sign can be one of the most effective advertising methods you have in your arsenal. To make yours as effective as possible, you need to create a great looking sign that attracts attention and stands out from the crowd.

## YARD SIGNS

Yard signs with solid messages get seen. You see yard signs in your neighbors' lawns, and around town, right? Yard signs help spread the message and get curious people talking and asking questions. Custom yard signs look great and will help your message stand out!

- Use political yard signs to help gain momentum in your campaign
- Birthday yard signs are a great way to make sure guests know where the party is
- Adding a photo or logo will help make any personalized yard sign stand out
- Choose bold designs and unique fonts for truly customized yard signs
- Custom yard signs are available in three sizes
- Yard signs are made of high quality corrugated plastic or durable heavy duty weather resistant paper

## Printing & Installation

We offer both printing and installation of Building signs. We have never said "That is to big for us to handle." We will never say "That is to small for our time." Our professional staff will help you every step of the way. From concept to completion, Miss Print will be there for you. We will do as much or as little as you require.

## BUILDING SIGNS

## BUMPER STICKERS & DECALS

Ever been stuck in traffic and found yourself noticing a vibrant bumper sticker design on the car in front of you? Or maybe you saw a bumper sticker with a message that you related to. Effective bumper magnets help spread messages and get people talking and asking questions. Try these tips to help your message be seen:

- Add a photo or logo to your bumper magnet for a more personalized and noticeable look!
- Custom bumper stickers feature customized text, so add a funny message or saying!
- Choose a full color design for your bumper sticker that represents your style!

# BANNERS

**DON'T JUST MAKE A STATEMENT... MAKE AN IMPACT!  
ANY WAY YOU WANT...WITH A VERSATILE VINYL BANNERS!**

When you've got something big to say, vinyl banners are your go-to-tool! They might just be the most versatile way to get a point across. Inside or out...at work or at play... use banners to say it your way... and say it BIG!

- Want catchy advertising? Vinyl banners get attention to get the word out!
- Time to celebrate? Banners with fun, colorful designs add life to any party!

# BANNER STANDS

## BANNER STANDS ARE VITAL TO YOUR TRADE SHOW BOOTH OR BUSINESS

We sell banner stands to enhance your trade show presentation. They add visual impact to your display booth or exhibit. Banner stands help draw attention to your exhibit by allowing you to place eye popping graphics wherever needed. These lightweight portable displays have been designed with your transportation needs in mind and most come with an easy to carry bag. Designed to be portable and easy to setup, most of these banner stands can also be assembled by just one person under 10 minutes. Banner stands aren't just for trade shows. Our outdoor banner stands are perfect for shops, restaurants, businesses, lobbies and sporting events. Protected from the elements these sturdy banner stands can withstand most mild inclement weather.

# CUT VINYL LETTERING

## DOOR LETTERING

Door lettering is a standard of storefront or business signage and is the christening moment for a new business location. If you drive through a business or shopping strip, the one thing you will notice on each door is lettering full of business information. Window lettering is a traditional and timeless method of signage with a very classic look. When applied, it appears as the graphic is part of the window.

## WALL WORDS

Vinyl lettering wall words will transform your home, church or office into a reflection of the unique individual you are. Whether you identify with a deeply motivational thought, a beautiful embellishment, a bold image or a combination of these; Miss Print can help you express your feelings.

# VEHICLE VINYL

## VEHICLE VINYL

Vehicle lettering gives you a clean cut, professional look at a low cost! You can add lettering virtually anywhere on your vehicle where there is a smooth surface using custom made vinyl letters. Vehicle lettering is not limited to your windows. Our vinyl lettering works great on trailers, cars, trucks, vans, SUVs, boats and any other vehicles you would like to customize vehicle lettering.

# DRY ERASE BOARDS

Collect your thoughts and ideas on these convenient, easy to erase white boards. Perfect for the home, office and classroom, professional white boards allow you to organize your schedule, easily post documents or effectively lead an office meeting.
